Voice of Hope

.....

Written by:
Sandy Blaser,

Is your Faith being tried and tested? It's God's desire to bring healing to your spirit, mind, body & soul. But, you must first believe that nothing in life is impossible with God.

There is no clutch of the devil that our GOD cannot break!! So, Reach out and grab a hold of God's promises and hang on tight! Trust Him to absolutely change and transform your life. If He transformed the demon-possessed man, brought healing to the woman with the issue of blood and to Jairus' daughter (see Mark 5), He can also provide for you. Remember...Our God cares about everything that touches your life!!

God's unfailing, unchanging love runs deep for His children! So, No matter what situation you be may facing, if you listen closely, you will hear the "Voice of Hope", beckoning you to draw closer to His heart! So, with a child-like Faith, simply run and jump into the Father's arm's...this very act of faith brings great joy to your Father's heart!! Keep in mind...when there seems to be no way out...HE is waiting and more than ready to make it 'possible'...in His time!!! So, keep the FAITH my Friends...Keep clinging to the Scriptures, keep knocking on Heaven's door...AND...Don't give up on the brink of your miracle!!

“With men it is impossible, but not with God: for with God all things are possible” (Mark 10:27).
