There is a God!

Author: Sandy Blaser, Healing Rain to the Nations

As I set here sipping on a hot cup of coffee and listening to the Morning News, a wave of depression tries to come over me. Seems this world has done and gone crazy!! But hey, even though everything has gone topsy-turvy, I am quickly reminded that I serve a "Living God" who is in control of all!!

Man in all his sinful nature certainly has made a big mess of this ole world, but I'm quickly reminded, this place we live in is only temporary, we're just passing through! And isn't it great we do not have to make this journey through life all alone!

Having Christ by your side does make a world of difference! Even though what I see and hear can be very disturbing, yet I find my ole heart is flooded with peace & joy! You see...I have learned in all of life's situations... "There is a GOD"!!! Upon Him I can depend!!

"Some trust in chariots and some in horses, but we trust in the name of the Lord our God" (Psalm 20:7)
