### "The Rosebud"

*Written by: Sandy Blaser, Healing Rain to the Nations*

Do you know that if we take the time, God speaks to us through nature! Here's just a thought to ponder..."The powerful, yet gentle hand of Our God opens millions of roses without ever forcing

open a rosebud"....

Wow, amazing! A beautiful flower is so delicate, but if forced, its beauty would be destroyed! Just think...The same thing can apply in our lives. This is a reminder to never force anything, for God's timing is ever so perfect! If we get ahead of the Lord and HIS timing, we can find ourselves creating one big mess!

So when you find yourself in that waiting mode, it's important to simply stay calm and keep your peace. As you wait, affirm your trust in God's promises and go ahead and begin thanking HIM for the outcome!

"Let your gentleness be evident to all. Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your request to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus". (Philippians 4:5-7)

Just as a beautiful Rosebud, God clearly knows and understands you. His gentle hands formed you with a divine purpose in mind. Therefore rest assured God has heard your cries. At this very moment you might not realize just how close you are to your breakthrough. But hang on my Friend...Don't give up on the Brink of a Miracle!!!

*"Being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus."*

*(Philippians 1:6)*
