Faithful, Tried & True

Author: Sandy Blaser,
Healing Rain to the Nations

Throughout the years of my journey of Faith I have found that God's Word is Living and Powerful! HIS

promises are deep seeded in my heart and have carried me through many a trial in life! I continue to find over & over, when all else fails, HIS Word stands Faithful, Tried & True!

How about you? Have you lost all Hope? Has your joy faded and withered like a flower? Open The Bible and find your promise!! God's Word says if you seek me you will find me, if you seek me with all your heart! So search God's Word "expecting" to find Him! I suggest keeping a journal, writing down those promises. It helps to keep the promise ever before you. (I typed them in big bold letters and posted them on my walls and repeated my promises every day.) And even though you may grow weak and weary of the struggle of waiting...Cling to the Word and guard it with all your might! When you least expect it, your enemy will come in like a flood to steal and destroy all your hope and heart knowledge – but only if you allow him to do so!!

Just remember, God's Word is a powerful weapon, but you have to make an effort to read it and apply it...Then choose to walk in victory! Stand your ground and do not waver in your Faith. No matter what your circumstances you may be facing, remember...*"The grass withers's, the flower fade's: but the Word of our God shall stand for ever."* (Isaiah 40:8) Yes, God is still on the Throne...Miracles still happen and "Faith" still moves mountains!! So I pray, as you continue your journey to the heart of the Father, may you also find Your Redeemer is "Faithful, Tried & True"!
