## Try A Little Kindness

*Sandy Blaser, Healing Rain to the Nations*

Every day we are faced with many choices. But one of the most important things to choose is to begin our day with words of kindness. When we choose our words wisely, we can brighten someone's day, which brings life and much joy to hearts! On the other hand, our negative words also has the power to divide and destroy relationships.

**Family & Friends** are one of God's greatest Blessings. So let your 'kindness' begin with those whom you love and care about so dearly. When you wake up and in the morning before your feet hit the floor, invite the Lord into your day and ask Him to help you choose your thoughts and words wisely. For our actions and reactions can set the mode for the whole day.

If you tend be snappy & grumpy in the mornings, just remember this: God doesn't just 'suggest' we be kind and loving toward each other ... HE Commands it!! *"My command is this: Love each other as I have loved you." (John 15:12) 'And be ye kind one to another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you.'* (Ephesians 4:32)

Yes, as human we will all have our moments, but we must be aware of how we treat others. Our compassion, respect and our loving kindness may be just what lead's some soul to the heart of Christ!!

Therefore, *"Let your gentleness be evident to all. The Lord is near." (Philippians 4:5) "Purify yourselves by obeying the Truth so that you have sincere love for each other; love one another deeply, from the heart. (1 Peter 1:22) and always pray!*

I pray that God's love, respect and compassion will flow freely from your heart...especially to those whom you love so dearly!" *Go ahead, make someone's day!!*

*"Let there be kindness in your face, in your eyes, in your smile, in the warmth of your greeting ... Don't only give your care, but give your heart as well".*
