Facing Your Fears

~ written by: Sandy Blaser, Healing Rain to the Nations

"Have Faith Not Fear"! Yes, I admit, sometimes that's not so easy to do. It is so terrifying to stand helplessly watching dark clouds gather on the horizon, knowing there is absolutely nothing you can do to change your situation. But as you stand watching the storm approaching, may you be quick to remember...You do not have to face this storm all alone!! For every heart that is breaking, for every plea that being whispered, for every tear drop that's being cried ...God sees you, HE knows you, and HE loves you!

So the next time you find your-self facing the unknown don't be afraid, for The Lord promises to bring you though even the darkest of nights...
"Do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with My righteous right hand".
(Isaiah 41:10)
