God is Big Enough

~Sandy Blaser, *Healing Rain to the Nations*

Just think....God created the whole Universe and every little minute cell in your body! So Yes, He's big enough and powerful enough to handle all your problems both great or small!!! You are important to Him!! God loves you and cares about everything that touches your life! He hears your every cry and He promises "He will meet all your needs according to His riches in Glory in Christ Jesus! (Phil 4:19) So as you wait upon the Lord, read His word, pray and express your trust in Him for the outcome! Then, start Praising Him for your answered prayers!! YES...God is big enough to take care of you!!
