Look To Jesus

~ Sandy Blaser, *Healing Rain to the Nations*

At times we find ourselves in situations that bring pain and destruction our way. Our burdens become greater than our own strength. In fact, at times it may seem as if God has forgotten us and we began dwelling the worst! When that happens we begin losing sight of our vision and if we aren't careful, we begin to give up hope on life itself.

Maybe you're going through a hard time right now. Do you feel overwhelmed by hardship and I think life hardly seems worth the pain? Keep in mind...God allows trials to refine us so that we will not trust in ourselves but in God alone, who has all power to raise the dead!! And just think...if HE has the power to raise the dead, then surely He can work out our problems!

(We felt we had received the sentence of death. But this happened that we might not rely on ourselves but on God, who raises the dead. 2 Corinthians 1:9)
Remember this...HE is an "All Knowing" God, therefore He understands our pain even before we cry out to him! But by calling upon His Name, we acknowledge our dependence and trust in Him alone! So when it seems your world is caving in...lift your eyes to the Risen Lord, the one who has experienced tremendous hardship, rejection, pain & suffering, and even death! HE knows your pain is real and is waiting with open arms to comfort you like none other!

I lift up my eyes to the mountains...Where does my help come from? My help comes from the Lord...The Maker of Heaven and Earth. (Psalm 121:1-2) I love this scripture! It amazes me to think..."The One who perfectly hung all the Stars & Planets in their place, The One who formed and created all things both great and small, is The One who watches over me day & night, plus loves and cares about everything to touches my life!!! WOW...What an Amazing God we serve!
