How Big is Your God???

Written by: Sandy Blaser, Healing Rain to the Nations

Just think....God created this vast Universe we live in and His mighty hand holds every star and planet in perfect alignment. It's so amazing to think of how those same strong, mighty hands also created and formed man's delicate body, every little minute cell. Now I admit, It's hard for my mind to comprehend that. But wow, I'd have to say surely my God is big enough and powerful enough to handle all my problems both great and small?

You see, you're very important to Him!! You were created in the image of God. He chose you and knitted you fiber by fiber in your mother's womb. He loves you and cares about everything that touches your life! He hears your laughter and hears your silent cries.

So take courage my Friend in knowing, we serve an all-seeing, all-knowing, loving God who supplies all resources, strength and wisdom needed for this wonderful “Faith Journey”.

No, I may not know where the next bend in the road leads, but I do know that God has plans beyond anything we can possibly imagine! Deep in my heart I proclaim this scripture, “*The Lord is all I need; I can depend on Him!*” (Lamentations 3:24)

So keep holding tightly to God's Promises “*He will meet all your needs according to His riches in Glory in Christ Jesus!*” (Phil 4:19) As you wait upon the Lord, study His word, pray and express your trust in Him for the outcome! Then believe with all your heart. Now, go cut this out and tape it on your bathroom mirror...

“Yes, my God is big enough to take care of ME!!”
