Experiencing God

written by: San, Healing Rain to the Nations

What magnificent beauty our God has created for us to enjoy!!! Pause for just a moment....See the beautiful formation of the clouds as they drift over the jagged Coastal shoreline. See the glistening of sun-rays dancing across the white capped waves. Feel the foaming waves of cool water washing over your feet, as treasures of the deep are washed ashore. Feel the sand between your toes and a cool gentle breeze blowing through your hair! Now listen closely...hear the roaring of the waves and the cry of Seagulls!! You have just experienced HIM!! The whole earth is filled with HIS Magnificent GLORY & Beauty!!

The whole earth is filled with awe at your wonders; where morning dawns, where evening fades, you call forth songs of joy. (Psalm 65:8)

Just outside your door awaits a world of beauty. Take a leisurely walk and enjoy the morning sunshine or maybe a moonlight stroll in the evening dew. Take note of what you see, hear and feel as God begins revealing Himself through nature. Clear your mind and set your thoughts toward Heaven! Relax, fill your heart with a song as you rest in His presence. You will be amazed as you take the time to experience the JOY & the WONDER of knowing HIM!!

Depending upon where you are at in this big beautiful world..."Good Day/Good Night my Friends"! **Healing Rain to the Nations** hm.sandyblaser.com
