### God's Point of View

*written by: Sandy Blaser, Healing Rain to the Nations*

One of the most awesome moments was when I was flying into Portland on a beautiful clear, sunny day. The Pilot announced that it was the clearest he has ever flown. All along the flight He proceeded to point out snow covered mountain's peaks to the north and to the south. Wow, so amazing! This began to trigger my brain to thinking of how God view's my own life....

Did you know God has an omniscient, omnipotent view of our lives as believers! Nothing is hidden, He sees all, He knows all! He is aware of every detail of our lives from birth (even before we were conceived) until death! Since God knows every detail of our past, our present and our future so very well, surely I should rely upon Him in every event in my life! Surely without a doubt I can fully trust Him with every moment of my life.

God is an all-seeing, all-knowing God and we can rely upon His strength and wisdom as we face life's challenges and obstacles! Wow, that means we are not limited by our own strength and wisdom... Thank you Lord!! The Lord has given us the scriptures to help us in making wise decisions from His viewpoint. When we are hemmed in by our circumstances and can't see from all the fog, we can seek God prayerfully and regularly spend time in His Word which will enables us to break through the barriers of life with His insight!!

So rejoice my Friend...even tho sometimes it may feel you are all alone....God knows every detail of your life, He cares and He Loves you with an everlasting Love!! What may seem like an ordinary event or even a disaster in your life...rest assured, God will use all the good and not so good for His Divine Purpose! Trust Him, He will make something beautiful out of your life!

*Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight. (Proverbs 3:5-6)*
