Living LiFe to the Fullest

Sandy Blaser
Healing Rain to the Nations

I pray you are experiencing the joy of living LIFE to the fullest...in His presence!!

Real life begins when we come to know Christ and His Saving Grace! --The thief enters only to steal, kill, and destroy. (Jesus) came so that you and I could have Eternal Life—indeed, so that we could live “Life” to the fullest. (John 10:10)

As we travel this journey toward Home, may the Lord always walk by your side, leading and guiding each step of the way.

No matter how many pot holes you may come across in life's road, I encourage you to *never* lose Faith! Keep praying and trusting the Lord as the years unfold, taking each day as it comes and embracing the blessings that it holds!

As you set aside that special time with the Lord reading His Word, praying and seeking His face, may your spiritual eyes and ears be opened. May you begin experiencing God's divine revelation as HE tenderly touches your heart, bringing joy, healing, hope and purpose into your life!

Remember...The Lord holds your future in His hands, and He desires HIS best for you! So, as you continue calling out to the Lord, keep applying His Word and affirming your trust in His promises. For when your focus is Christ, you will simply be amazed as your hopes and dreams suddenly become a reality!

Now go have yourself a gorgeous day celebrating His beautiful gift of... “LiFe”!!
