Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith.

### Get Ready for a Downpour

*Sandy Blaser; Healing Rain to the Nations*

*Dear Friends,*

No matter how scary this world seems to be getting..."Have Faith in God"!! Rest assured, Our Lord has significant and unique plans and strategies for these vital times in which we are living. Yes, I believe there is going to be a shaking, but also believe there is going to be an outpouring of the Holy Spirit, like none this world has ever seen!! I sense God is ready to split open the heavens and rain down His supernatural power and favor upon His children, like this world has never witnessed before...and then let the Trumpet blow! Keep in mind that this could all happen very quickly, So until then, let us be found faithful... abiding in intimate fellowship with Him!

Have you heard there is a storm gathering momentum on the horizon? Do you sense a change in the atmosphere? Do you smell rain in the air? I think I felt a raindrop! Yes---it's beginning to rain!! The Lord is rendering open the heavens and about to pour out His rain upon His people like never before! Are you ready for the downpour
