They have many Fall colors to choose from as well as Fall Harvest designs to Christmas designs! One set is equivalent to a full manicure AND pedicure and they are easy to apply and last for at least 2 full weeks and they cost 50% less than a salon, but give you results of a salon. A set of Color Street Nails is less than \$25.00. There is no obligation to buy. You're welcome to bring your own nail supplies and polish, if you'd like. Please join us for some fun, fellowship, and food!
